MURDERER'S WIFE IS NOW ACCUSED

Yesterday afternoon Mrs. Anderson Grace, the divorced wife of the negro murderer who escaped from the chain gang last week, was arrested on a Federal warrant charging her with murder.

Mrs. Grace is charged with being an accessory to the murder of Mahu in that she registered the watches of her husband while he was away on his murderous mission, thus enabling him to prove an alibi when first arrested. Afterward in his confession Grace told how he had given his wife the key of the automatic register and had her register his watches every half hour while he was away. Mrs. Grace obtained a divorce from her husband after he had been convicted of murder in the second degree.

For several days she has been held at the police station, as it was understood she was in communication with her husband after his escape, and also because he was reported to have threatened her life and that of the attorney who brought her suit for divorce.

COLORED COMEDIAN AT PARK.

David C. A. Ellis, a colored comedian, a find of Manager Condon of the Park Theater, made such a hit last night in humorous monologue that it has been decided to retain him as one of the amusement features for this evening's bill. He leaves for the Coast tomorrow. In spite of the weather, there was an unusually large crowd at the Park, and much enjoyment was secured from the interesting pictures shown.

Miss Frances Curtin will be married to Charles W. Flint at home April 20.

Harbor commission considers plans for construction of several bulkheads.
